Wiltshire Parent Carer Council

Founded in 2008, the WPCC is an independent organisation which is managed and run by parent carers, for parent carers. We strongly believe that our children and young people should have

- ⇒ The same opportunities as their brothers, sisters and peers.
- ⇒ Fair access to the support they need to live their lives
- ⇒ Families who feel supported in their caring roles

We have a membership in excess of 2500 parent carers across Wiltshire whose children range in age (0-25yrs) and in the type of special educational needs and/or disabilities they have. These include mental health, physical, sensory, learning, communication, challenging behaviour, autistic spectrum disorders and health conditions that require complex care.

Stop press—the **new short breaks bulletin** for February 19 has arrived in school.

This can be accessed via the following link http://www.wiltshireparentcarercouncil.co.uk/images/f/f4/WPCC_February_Bulletin_2019_%28LQ%29_final_version.pdf but a paper copy is available from the office. Please note we only have 1 copy, but you are more than welcome to borrow it or contact 01225 764647 to request a hard copy for yourself.

Short Breaks Scheme

Designed in consultation with parents and carers, the Short Breaks Scheme aims to meet the individual needs and interests of children and young people who require additional support to either access or engage in leisure activities and social opportunities (also referred to as 'short breaks').

The Short Breaks Scheme offers families choice through a menu of options, which means that children and young people, together with their parents or carers, can think creatively about how they want to spend their leisure time and choose what works best for them.

Whilst Wiltshire Council subsidises all options available through the Short Breaks Scheme, families are expected to contribute towards the overall costs of providing short breaks for their children. Families choosing the Activity Club or COMBO option are required to contribute £10 per 3hr session and £18 per 6hr session towards this heavily subsidised service.

Families who choose the payment or COMBO option through the Short Breaks Scheme are responsible for making sure the money is used to best meet the leisure activity and social opportunity interests of their child for the year. By choosing the payment or COMBO option, you could be selected at random to take part in an interview to explain how the funding was used responsibly to benefit your child and meet their leisure interests.

APPLICATIONS FOR THE WILTSHIRE SHORT BREAKS SCHEME 2019 - 2020 MUST BE RECEIVED VIA THE ONLINE FORM BY THURSDAY 28TH FEBRUARY 2019!
