To everyone who supported the school fete last Friday. I hope you had a most enjoyable evening.

Thank you even more so to our fantastic FOSS team, who work tirelessly in raising funds for the school that benefits all children in wider learning opportunities.

And finally to our children and Lost Luggage who gave their time to perform and/or run stalls, helping to make the evening the success that it was.

Please note there will be no Gym club on Monday due to the KS2 performance of Shakespeare Rocks

THE SUMMER READING CHALLENGE Runs from 13th July to 7th September

We will shortly be launching this year's Summer Reading challenge with the children. As a school we have a high take up for this challenge, and we hope that this year will be no exception.

Children sign up at their local library and receive a space chase collector folder after reading their first book

Children borrow and read at least six library books of their own choice during the summer, collecting special stickers to complete their folder and incentivise along the way

Children who complete the Summer Reading challenge are presented with a certificate and a medal.

We really enjoy celebrating the children's achievement when we return in September. Please encourage your child to take part.

You can find out more information and get ahead of the game at www.readingagency.org.uk/schools.
