Hello Team Stanton

I hope you are all keeping well especially as the weather has turned this week—the first week of wet weather during the Lockdown.

My apologies for the lateness of the newsletter last week—it was completely 'user error' i.e. Mrs Winterburn! Issues with the Word of the Week are a little bit trickier to rectify as it is down to the size of the files we are trying to upload.

Next week Mrs Anderson will be trying a sound only Word of the Week next week.

Stay safe everyone, jump in *lots* of puddles and take care.

We are all missing you all and looking forward to when the school can be open once again.  
 Mrs Winterburn

### Home Learning

Home Learning continues to be uploaded onto the Class Pages of the school's website.

Maths No Problem access for parents is now live and we hope that this is helping in supporting the learning that is happening at home.

A message to Darling and Amazon Classes.... Your teachers would love to see some of your writing so that they can help you to maintain and develop your writing skills during this lockdown period.

We are seeing lots of great learning in other areas of the curriculum but writing seems to be the poorer relation at the moment.

### Breaking News!

I have sunflower plants—not very big ones (yet!) but still success.

Elode and Henry have sent a photo of their—they are much bigger than mine. I will keep talking to them, watering them and keeping them away from any mice, slugs or dog that might show an interest.

Happy growing.

### Woof! A message from Beau

How cheeky Mrs Winterburn—I am not interested in your sunflower plants, I am protecting them from any intruders who may want to have a nibble of them. In order to do my job properly I need to have a good sniff!

Hello everyone, still missing you all. I have been into school this week and I have been to see Mrs Dean and spent time at home. I have had sunny walks and wet walks and today a very wet walk.

I hope that you are being good for your families and looking after each other.

## Keeping in Touch

Just a reminder that during this Lockdown period we are keeping in touch through weekly telephone or email contact.

### Great British Bunting

On Friday 8 May 2020 Britain will be commemorating the 75th anniversary of VE Day when the guns fell silent at the end of war in Europe.

Due to the coronavirus restrictions most VE Day 75 events and street parties have had to be cancelled or postponed but we still want you to be able to mark the occasion, share your pride in our country and honour the men and women of WW2.

You can make your own special VE Day 75 'Great British Bunting' to display in your window at home.

Here are all the instructions you need to get started using any paper, cereal boxes, string, ribbon, sweet wrappers, felt pens, poster paint you have or whatever you can find.

You can decorate your bunting with pictures of whatever inspires you, whether it's those who fought on the frontline or worked hard on the Homefront, or whether it's a celebration of enduring peace or your own personal hero.

Visit the website below for bunting template, instructions and step by step guide.

Hang your bunting with pride over the weekend of Friday 8 May - Sunday 10 May and make sure you share your pictures with us at [rhineclass@stanton-st-quintin.wilts.sch.uk](mailto:rhineclass@stanton-st-quintin.wilts.sch.uk) so we can share on our school blog.

# Resources—just in.
