Last Newsletter of the School Year

What a year it has been. One could never have predicted such a year when we came back in September.

I grasp the positives from these extraordinary times. Our school community are well, we have remained in contact with our families and children and welcomed, to differing degrees, a large majority of our children back during this final term. There are some 'thank yous' I would like to make. To our fantastic children for their resilience and motivation; to the Stanton Staff who have worked tirelessly to ensure school and home learning has supported our younger learners both academically and emotionally; to you— supporting your children, phonics, word of the week, Maths No Problem— things that we take for granted and are part and parcel of everyday life in school have been such a sharp learning curve but a crucial part of continued learning; to our Governing Body who have been there in support and holding us to account in ensuring the school is COVID compliant and safe for all stakeholders and to the Stanton residents, a cheery smile and a welcome 'hello' when at times it has been tricky has made all the difference.

I wish you all a very warm, safe and happy summer break and I look forward to seeing you all on 2nd September 2020.

September Update

A separate letter is being sent home today with Weekly Comms outlining the key School Day logistical information for September. The detailed Risk Assessment will be published on the school's website on Friday 29th August.

Regarding Breakfast and After School Club, the booking system is moving online and Mrs Pennington will be contacting all parents during the holiday letting you know how this can be done.

Farewell

Today is a sad day as we say goodbye to Mrs Weston. Mrs Weston has been a member of the Stanton Team for many years, all children she has taught— have been in her class, in her group for whole school events or worked with her through Science Enrichment have benefited from her expertise, calm and kindness.

Mrs Weston will be very much missed as part of the Stanton Team.

We also say goodbye to some of our children at the end of term due to military postings or relocation. We wish then all the very best at their new schools.

A final farewell goes to Mrs South who is leaving us at the end of term tomorrow.

Woof! A message from Beau

Hello my Stanton Friends—how are you all. I bet you can't wait until Monday and no early morning wake ups!

I had to go to the vets last week as I have been so itchy with the pollen. I have even more tablets to take for two weeks and I have to have more baths! The best bits are the fluffy towel cuddles at the end, and of course the treats that Mrs Winterburn gives me to persuade me to take by meds or stay in the bath!

Have a super holiday, stay safe and get lots of walks.

Bags 2 School

Many thanks to everyone who brought bags to school on Tuesday for Bags 2 School. We raised £122.60!

Don't forget if you are ordering online to during the summer holidays an easy way to raise funds for FOSS is through Just Giving .

Thank you for your continuing support.
