

## NOTICE BOARD CONTENTS

**Welcome Back**

**Social Media Alert**

**Foss—a big hello**

**COVID-19 School Attendance and Absence**

**Woof! A message from Beau**

The week ahead:

Monday 21st September—Reception children in full time

Wednesday 23rd September—2:30 Darling Class Meet & Greet Outside in playground

Thursday 24th September—Amazon Class to the Woods

## Lots of Smiles!

Our value this term is Friendship and it has been lovely to see the children re-establishing and making new friends.

*I like being back at school and playing with my friends.*

*I like seeing new faces in my class and making new friends.*

Thank you to all the parents and children for your support in the first few weeks as we establish new routines to keep everyone safe.

## Flu Immunisation 2020/21

Dear parents,

As you are aware the plan this year is for the biggest flu campaign ever delivered. If you haven't already, please do follow the link previously shared to complete consent for your child to receive this vaccine at their school session. Clearly we are unable to offer all children vaccines in the early part of the season and will have schools booked up to mid-December. Alongside this we will offer community clinics throughout the season for if your child misses their vaccine at school. Some children are more at risk from Flu and for these medically vulnerable children we would like to offer early clinics to ensure they are protected at the earliest opportunity. If you believe your child fits into this category please contact our Single Point of Access (SPA) on 0300 247 0082 to book into a clinic that is convenient to you.

Kind regards

Immunisation Team

**Link can be found in Parents Useful links**

## Peripatetic (fee paying) Music Lessons

There are spaces in most lessons —please email or call the office for more information.

## Reading

Please look out for the new reading policy that was sent home yesterday. Now more than ever we cannot stress the importance of ensuring that your child reads daily. Every child will be bringing home their reading journal which will be a record of your child's reading journey. More details about the reading journal can be found in the policy. Thank you for your support with this.

Mrs Anderson—English Lead

Amazon Class have been enjoying reading session in their garden & Rhine Class have

been enjoying reading and studying *The Boy in the Tower*.

## Woof! A message from Beau 🐾

If you would like to come for a walk with me please bring back your permission slip.

# COVID-19 information

## A quick guide for parents/carers

Please follow the advice in this guide. Only contact the school if your child is having a test and to let us know the result. Your school will not be able to advise beyond the information given here. **Please remember to only get tested if you have COVID-19 symptoms.**

### YOU SHOULD BOOK A TEST IF YOUR CHILD HAS:

**a high temperature.**

This means they feel hot to touch on their chest or back (you do not need to measure their temperature).

**or**

**a new continuous cough.**

This means coughing a lot for more than an hour, or three or more episodes in 24 hours (if they usually have a cough it may be worse than usual)

**or**

**a loss of or change to your sense of smell or taste.**

This means they've noticed they cannot smell or taste anything, or things smell or taste different to normal.

If your child DOES NOT have symptoms of COVID-19 but has other cold-like symptoms, such as a runny nose, they do not need to be tested and they or members of your household do not need to self-isolate.

Your child can attend school if fit to do so.

What to do if...	Action needed	When can my child return to school?
<b>My child has COVID-19 (coronavirus) symptoms</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Book a test for your child</li> <li>Whole household to self-isolate</li> <li>Inform school immediately about test result</li> </ul>	<b>If test is negative and child is well enough, symptom free for 48 hours and not advised to self-isolate by test and trace service.</b>
<b>My child tests positive for COVID-19 (coronavirus)</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Child to self-isolate for at least 10 days from when symptoms started (or from day of test if no symptoms)</li> <li>Inform school immediately about test results</li> <li>Whole household to self-isolate for 14 days from day when symptoms started (or from day of test if no symptoms) -even if someone tests negative during those 14 days</li> </ul>	<b>When child feels better, and has been without a fever for at least 48 hours</b>  They can return to school after 10 days even if they have a cough or loss of smell/taste. These symptoms can last for several weeks once the infection is gone.

What to do if...	Action needed	When can my child return to school?
<b>Somebody in my household has COVID-19 (coronavirus) symptoms</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Household member with symptoms to book a test</li> <li>Whole household to self-isolate while waiting for test result</li> <li>Inform school immediately about test results</li> </ul>	When household member test is negative, and child does not have COVID-19 symptoms and if child has not been advised to self isolate by test and trace services
<b>Somebody in my household has tested positive for COVID-19 (coronavirus)</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Whole household to self-isolate for 14 days from day when symptoms started (or from day of test if no symptoms) - even if someone tests negative during those 14 days</li> <li>Inform school immediately about test result</li> </ul>	When they have completed 14 days of self-isolation without symptoms. They must self-isolate for 14 days even if they test negative during that time
<b>NHS Test and Trace has identified my child as a 'close contact'</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Child to self-isolate for 14 days (as advised by NHS Test and Trace)- even if they test negative during those 14 days</li> <li>Rest of household does not need to self-isolate, unless they are also a 'close contact'</li> </ul>	When they have completed 14 days of self-isolation without symptoms. They must self-isolate for 14 days even if they test negative during that time
<b>Your child has been in contact with someone who has been identified as a 'close contact'</b> 	<ul style="list-style-type: none"> <li>Attend school as normal</li> <li>If your child does not have any COVID-19 symptoms they should carry on with normal activities</li> </ul>	Attend school as normal
<b>We / my child has travelled abroad and has to self-isolate.</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Whole household to self-isolate for 14 days -even if they test negative during those 14 days</li> </ul> <b>Travel reminders:</b> <ul style="list-style-type: none"> <li>Do not take unauthorised leave in term time</li> <li>Consider quarantine requirements and FCO advice when booking travel</li> <li>Provide information to school as per attendance policy</li> </ul>	When the quarantine period of 14 days has been completed for the child, even if they test negative during those 14 days
<b>We have received advice from a medical / official source that my child must resume shielding</b> 	<ul style="list-style-type: none"> <li>Do not send your child to school</li> <li>Contact school as advised by attendance officer / pastoral team</li> <li>Child to shield until you are informed that restrictions are lifted and shielding is paused again</li> </ul>	When school / other agencies inform you that restrictions have been lifted and your child can return to school again
