Pupil questionnaires.

You may remember that at the beginning of this term the whole school explored our own preferred learning styles, looking at what helps us to learn and indeed barriers. As part of this project children completed pupil questionnaires.

At the end of the survey the children were asked two questions. Here are some of the responses:

What I like most about our school?

- Young leaders
- Sports – Lacrosse
- We all know each other
- The outdoors
- Super school
- Cool trips and activities
- Learning new things
- Friends
- The way lessons are taught
- Making new friends
- Kind people
- Big playground
- Support offered
- Inclusion
- PE
- The rewards
- It's a small school and you treat everyone like brothers and sisters.
- Amazing trips
- School environment.
- Parents coming in
- Wild area and woods learning
- Maths—the books and the way we do it.

If you had special powers what is the one thing you would like to change about your school?

- Chose which tables we sit on at lunchtime
- Goals with nets on the field
- Longer breaks
- I love this school, do not need to change anymore than that!
- More classes
- Make the school bigger
- More disabled children
- Free KS2 snacks
- A residential every month
- More vegetarian meal options
- Nothing!
- More games to play at break times
- Bring pets to school
- More art—I love art!
- Children in charge for a day

The small print...

All meals ordered must be accompanied by the correct payment. The school kitchen does not offer credit terms and under the terms of the contract will not provide a meal without payment. For payments other than HomePay, ie. Cash or Cheques (payable to SODEXO) need to be received at the beginning of each week.

Adult price £3.26

Child price £2.30.

Headlice

Please can we ask that all parents check hair for headlice. If you find live lice in hair then please treat the whole family with shampoo that can be purchased from supermarkets and chemists. If you find that your child has eggs in their hair, conditioner that has been left in for a little while, and a headlice comb is the best way to remove them. It may take a few days of doing this to make sure all eggs are removed, but it is worth it. It may also be a good measure to wash pillows and/or bedding.

Headlice aren't fussy—long hair, short hair, clean hair, 'not so clean hair, curly or straight. If we all check and work to the same principles then we remove the chances of re-infestation.

It is also important that for children will long hair, that it is tied back. This means shoulder length or longer. For safe measures shorter hair could be pulled back with a hair band.

Thank you

Well done also to Amazon and Rhine Class who visited Bristol Zoo yesterday as part of their topic! A great time was had by all!
