SEND Questionnaire for Parents

March 2017

SEND: Special Educational Needs and Disabilities
SENDCo: Special Educational Needs and Disabilities Coordinator

Dear Parents,

Firstly, thank you for warmly welcoming me back to Stanton and for your patience as I gradually bring myself up to speed.

A year feels like a long time away and I am curious regarding your thoughts on our current SEND provision. I wonder if you would mind filling in this short questionnaire so that I can gain a picture of areas for celebration and starting points for development.

I shall put this questionnaire on the SEND section of our website in case any of you would prefer to fill it out electronically.

Could I ask that they are returned to me via the school office by Monday 20th March 2017?

Many thanks,

Natalie Eels
