## Fantastic Learning!

This week I have been fortunate to visit each class. I just wanted to share some of the fantastic learning I have spotted.

Darling Class jumped on a plane to visit Peru, tasted some of the vegetables that are eaten, built lost pyramids and listened to South American pipe music. Thank you to our pilot and co-pilot for a very smooth plane journey. I am really looking forward to reading all your postcards to find out what you got up to on your visit.

In Nile and Amazon Classes I enjoyed taking part in some great maths—dividing and sharing with the Year 1 children and fractions with the Year 3's.

Rhine Class have not only been linking their learning to My Money Week where there were some interesting discussions about purchases that are a 'need' or a 'want'; but also to their topic Music, Lights, Action! I cant wait to see to read the final descriptions of your fictional pirate characters.

The purpose of the visits was to look at the quality of learning across the school and I was very proud of what I observed. In all classes I saw excellent examples of focus, high personal expectations and most importantly love of learning.

**BBC TEN PIECES** BBC Music Day 2017

Today is the first ever BBC Music Day and to take part we have been listening to a piece of music called [Connect It](#) composed by Anna Meredith. This is brilliant piece of music that uses body percussion to create rhythms.

If you would like to listen to it with you child please click on the link. There are also other fantastic pieces to listen to on the Ten Pieces Website.

Enjoy!

*Sun Safe.*

*Please clearly label your child's sun cream and sun hat!*

*Please make sure all children come to school with sun hats. Wide brimmed hats offer the best protection but any hat is better than non. Water bottles are also a must too as is sun cream.*

*Please click on the following link for a copy of the school's [Sun Protection Policy](#).*

Following on from last week's Newsletter....

**Have you downloaded the School News App?** This is a great way to be notified if anything is added to the school website.

**Have you tried the Food Smart App?** Have there been any surprises in the foods you have been buying?

**Are you following Stanton School's Twitter feed?** At the moment we have 4 followers!

To help you get in training for Sports Day... **Have you joined the Wiltshire Big Pledge ?** Each class now has a class logon to track their weekly exercise. If children are taking part in activities outside school these can be logged either through the class accounts or children may create their own accounts at home—with parents permission of course!

## Pop in and see us on FRIDAY! 9.10am till 10.30am

A colorful poster for a 'Fun Day at Monkton Park' on Saturday, July 1, 2017, from 11am to 3pm. The background features a vibrant, abstract splash of colors in shades of pink, orange, and yellow, with green foliage and a blue sky. A banner at the bottom left mentions a prize for the 'Best Dressed Soft Toy Animal!'. A list of activities is provided on the right side.
