Harvest Service

Yesterday the school celebrated its Harvest Service at St Giles Church. Thank you to Mrs Fisher for leading the service and Mr Greene for helping with the new music system, to our wonderful children for singing so beautifully and contributing to a very uplifting service.

We are still collecting for the Filling Station until the end of this half term when it will be collected and distributed. If you haven't donated and would like to please bring suitable items in as I know the charity will be very grateful for them.

Keep an eye out for our Reception children in the Gazette and Herald and their First Day at School supplement. This year's intake are looking fabulous in front of the new Hobbit House!

Stanton Pre-School

As a school, the governors and leadership team are exploring the option of opening a preschool on our school site. At this stage it is an exploration exercise as in order for this to be a viable option we would need to have 10 children in attendance at sessions.

As part of this process we have created a short expression of interest questionnaire to gauge interest. This has been posted on the school's website and can be accessed via the following link.

Should you be interested or know of anyone who may be interested please get in touch.
