## Early Years Unit News

We are delighted to share our news....we have finally been given the approval that we have waited so long for!

From September Stanton will official lower its entry age and will accept children in the EYFS Unit from the term after their third birthday.

Reception children will be in school full time and Mrs Breen has already been in contact regarding Induction and Transition.

For our Nursery children,, we will be offering morning and afternoon sessions everyday—9.00-12.00 and 12.00-3.00pm. This provision is known as a 'school-led' provision and so will be an integral part of the school with a qualified teacher based in the setting.

Wrap around care is also available from 8.00am and 3.00-5.30pm.

For more information please go to the school's website and click on the Darling Class Page.

We had a donation of **£15.91** in May

### School Provision for September

Today the Education Secretary will be announcing Government plans regarding school provision for September. Although there have been possible leaks through the media, we will know when you do! Once we have digested this information we will be able to respond to the guidance and put in place a local plan for Stanton St Quintin Primary School.

We will share this with you as soon as we possible can.

### A message from Mrs Anderson...

This week shall be the final word of the week for the term.

Next week I shall be setting all the children a challenge to recall all the words that have been shared since lockdown and their meaning. I shall still post this challenge as a blog on each class blog.

The final week will be 'pupil voice' week. I'll be asking the children to comment on the blog about whether they have enjoyed word of the week and any ideas they have for learning new vocabulary next year.

I shall also be asking them for suggestions of words to learn in the coming year, based on vocabulary they have come across in their reading. This will also be the week to celebrate dedicated word learners!

Mrs Anderson

### Woof! A message from Beau

Hello my Stanton Friends—how are you all and what have you been up to?

Last week I had a lovely time in Mrs Dean's back garden, she has—opps had, some raspberries growing. They looked so perfectly plump and juicy that I couldn't help myself and had a crafty nibble!

I thought I had got away with it until Mrs Winterburn came to pick me up and the evidence was on my nose ... she thought I had cut myself but alas not, it was raspberry juice! Luckily Mrs Dean thought it was quite funny so I didn't get into too much trouble. Phew!

On Saturday, we went on a long walk in the fields. The grasses were so high I decided to play hide and seek—can you find me in these pictures?

Stay safe everyone and I look forward to seeing you all very soon

## Online Resources—just in.

[Raise my voice](#) is a feel-good song which encourages young people to express their feelings and aspirations. Pupils can singalong with our special video by Jam Theatre Company and try dancing along to the choreography. Our activities explore various ways that children can express themselves and how they can use their voices to make a difference. Make sure to tell us how you're getting on by tagging us with [#SingUpatHome](#). We love to hear from you.
