### Home & Remote Learning Platform SEESAW

Dear Parent/Carer,

We are pleased to let you know that we have set up the school based platform – Seesaw. This will be an essential tool to support home and remote learning and share your child’s learning with you whilst you are unable to come into school.

Each student has a unique Home Learning Code to access Seesaw. When signing in with their Home Learning Code, students can post to their journal, respond to activities, and view class announcements.

You should have received a QR code so you can log on to your child’s account.

Go to <https://app.seesaw.me> on a computer. Or install the Seesaw **Class** App on an iOS or Android device.

**Please can we ask you to activate the account by Tuesday 1<sup>st</sup> December 2020. If you have not received a letter with a code, please contact your child’s class teacher.**

Each child has been set an activity to practise uploading work. Please can we ask you to do this before **Friday 4<sup>th</sup> December** so if there any issues we can sort them out.

We expect children to regularly check their seesaw account at least every few days whilst we are in school. Teachers will be supporting the children in class by demonstrating what to do and giving reminders.

We hope your child will enjoy using Seesaw and that it will be a helpful tool in sharing pupil learning.

Again, we would like to thank you all for your ongoing support during these challenging times.

Kind regards,

Sarah Matthews
