Dear Parents/Carers of Rhine Class

As some of you may know we would traditionally take year 5 and 6 children on a residential stay for several nights. However, last year with COVID and rising costs, we felt it was more appropriate to go on day trips as a class. We have explored options for a residential visit this academic year, but many centres are already booked. Therefore, we feel that continuing with day trips this year would be more suitable, with a view to booking a residential for the following year.

Our trip for Term 2 to support our learning will be to the Living Rainforest. For more details visit:
